

To All St. Thomas Soccer Players & Parents:

Welcome to the start of the 2015 season of Saints Soccer. Please refer to the STA website for soccer schedules, messages and updates throughout the season.

This year Saints Soccer will join with the most of the sports teams at STA and have a fee for all soccer players. The fee for 2015 will be \$100\*.

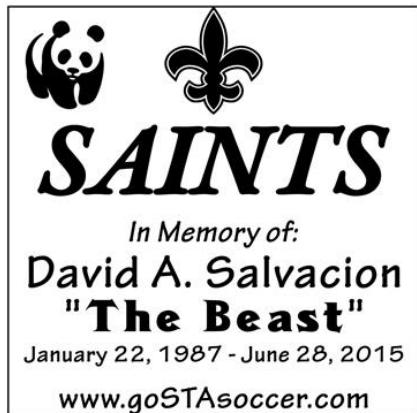

For the past few years the team parent has been responsible for collecting funds throughout the season for various events from the soccer parent group. Just to name a few things that are funded by the parent and in many cases the team parent: food & drinks for long away games, senior night (October 20, 2015), pink games, long sleeve jerseys (the players keep), coaches gifts, homecoming, SPAG dinner, etc. We usually collect funds individually for each of these events as they come along.

So after input from several parents, the coaches and the school we decided to make life just a bit easier for the parents and ask that a check for \$100 made out to STA. Please give the check to either Christin Keebler (2015 soccer team parent) or one of the coaches by the first game of the season, Friday, August 28<sup>th</sup> vs. Coe Brown. Checks can also be dropped off in Athletic Director, Ryan Brown's office and in an envelope marked "Soccer Fee 2015".

\*Please note that the fee will NOT include the Varsity banquet at the end of the year. This banquet is open to the entire Varsity team and family. A per person fee is charged if you attend the dinner portion or families can choose to just attend the awards portion of the night at no charge. This fee also does not include STA additional wear like the soccer jackets that were ordered last year and will be made available this year, socks or shorts.

Please feel free to contact Ryan Brown Athletic Director at STA at 603.742.3206 or Christin Keebler Soccer team parent at [ckeebler@gmail.com](mailto:ckeebler@gmail.com) or 603.401.4795 (text as well).

If you would like to volunteer as team parent for the freshman team or the JV team please contact Christin Keebler. It's a great way to get involved with the school and meet other parents. Thank you for your consideration.

Saints Soccer Players & Parents:

Please log-on to the STA website for updates on Saints Soccer.

Please join us for the game at 2pm, Saturday, August 22 at St. Thomas

Players are asked to wear white socks, shin guards and cleats and will be provided with a white commemorative shirt at the game.  
Alumni will be wearing navy blue.

We invite players and their families to a BBQ after the game. All are welcome!

Saints soccer will provide the BBQ and if we would like parents/players to bring the following contributions for Saturday. We would appreciate your help in making this day very special as we start the 2015 season.

### **Freshmen & Sophomores:**

Case of water, soda, lemonade or ice tea

### **Juniors:**

Bags of Chips or Pretzels

### **Seniors:**

Fruit (cut up for easy sharing)

Players are welcome to bring items right to the game on Saturday or if it's easier you can drop them off earlier. I will be at there at the school early to accept items at practice on Friday at 2pm or Saturday's varsity meeting in the morning. Thanks, Christin
